Course inactivity reminder

From: Zak from Okayness <noreply@zaktalks.com>
Subject: We saved your place in Interpersonal Communication Dynamics
Preview: No pressure. Your next lesson is still there when you are ready.

Your place is still here

Hi Maya,

It has been a little while since you last continued **Interpersonal Communication Dynamics**.

No guilt. Life gets full. Priorities move around.
Sometimes the work itself asks us to slow down because it touches something real.

Your last learning point

Listening Beyond the Words

Up next: **Recognising Communication Patterns**

42% complete

You do not need to catch up on everything today.

You only need one next step.

Resume where you left off →

If you have been avoiding the course because something feels unclear, difficult, or uncomfortable, that may be worth noticing. You do not have to force yourself through it. But you can return with curiosity.

If you are dealing with a technical issue, cannot access a lesson, or need support, email us at hello@okayness.com.

Your access is still here when you are ready.
